

I was watching the Super Bowl with my 8 year old son and was shocked at the sexual overtones in the half time show!! I can't believe the FCC would stand by without fining the parties involved. I'm sure that the breast incident is at the forefront, but if I had wanted to tune into MTV or VH1 or some other R-rated show, I would have done it not during primetime when young children were watching.

Please FCC, make this the time to make an example of just how bad this situation was and keep it from happening again.

Sincerely,  
Anthony Head
